

K-Love serves me as a resident in many ways. I wake up to the inspiring music every morning. It is the only station I play in my car. Without K-Love, I would be on edge a whole lot more and would not be a Christian witness. If K-Love were to be displaced many people in my community would feel the loss. All my fiends listen to K-Love and I've even heard it played in gas stations and small businesses. The service provided by K-Love is in the public interest becuase it brings goodness and light to the radio. Many people come to know Christ because of this station. It is a blessing to people all around the world. Please do not remove this station from the radio. We need our FM stations.
